Re: Temporary No Parking

Construction for the new library expansion will begin very soon. Rod, Jeaneal, and I have met and discussed potential parking issues that may arise from the construction. Some of the current parking will be eliminated during the construction phase. We anticipate Willman and portions of 1st Ave will have an increase in on-street parking. Traffic flow and visibility are my main concerns with the additional cars. I would propose the council consider temporary parking restrictions for the duration of the construction as follows:

1. No parking Southside of W. Willman between 1st and 2nd Ave.

2. No parking Northside of W. Willman from Center Point Road, West to centerline of the 1st Ave intersection.

3. No parking Eastside of 1st Ave from W. Willman, South to the first Zion Church parking lot entrance.

We have met and/or spoke with Zion Church representative(s) and one affected homeowner on Willman. No concerns with the proposed parking restrictions were raised.
