Re: March Public Works Report

Streets – We had one snow event in March. We were a couple guys short(Vacations) but we used Jim from Building Dept to help out. All went well. We finished redesigning/repairing our barricade trailer to accommodate our new traffic control signs. We installed some new street name signs with Hiawatha logo along Blairs Ferry Rd. We took down the retaining wall at City Hall and removed a bench along the trail as part of the Intersection Project. We installed new LEDs in the front parking lot at City Hall. We got all the streets swept. Vehicles serviced: 770, 520.

Sewer – Nothing to report.

Storm Water – Nothing to report.

Actual hours worked by Public Works employees in each department. Leave with pay hours are not included.
