Re: Items Missing from the Council Packet

Attention City Council,

There will be some documentation missing from this packet such as reports and resolutions. We had to get the packet sent out early due to travel to Ames to attend the Municipal Clerk's Academy. This is a training event we attend each year to get our certification credits.

The packet went out before some of the documentation arrived. We will put any necessary missing items on the dais on the night of the meeting.

Thank you for your understanding.
