HIAWATHA FIRE-RESCUE

MEMORANDUM

TO: MAYOR, HIAWATHA CITY COUNCIL, CITY STAFF

FROM: MIKE NESSLAGE, FIRE CHIEF

SUBJECT: 7-JULY-2019 REPORT

DATE: 8/16/2019

The Fire Department responded to 132 calls for service in the month of July 2019. Year to date we have responded to 846 calls for service. Year to date we are 13% ahead of last year. I was looking at the statistics from the beginning of the year, and we have been running that increase consistently across every month. That indicates it is not a one time surge. Another indicator of how busy we are is that we only had 5 days where we had 1 or no calls. On the other end, we had 9 days where we had 6 or more calls, including 3 separate days where we ran 9 calls each day.

We assisted Palo FD earlier in the month with a fire on the roof of one of the buildings at DAEC. We responded with our ladder truck and provided secondary access and staff on a very warm day. There was on threat to the public or the operations of the plant that day. We also responded to a car fire in Bali Hai that destroyed one vehicle, and melted the trim on the second.

We had several opportunities to test our new automatic mutual aid agreement. We responded to Robins FD when they had smoke in a house. With the additional help there were three units with 10 people on scene in less than 9 minutes. Since our car fire was close to a structure, it fit the protocol for the response. Robins Fire was on scene only minutes after we arrived but we did not need them.

Fire Training in July consisted of joint training and evolutions with Robins and Monroe Township. We are finding it very valuable to train with our neighbors. EMS training was our annual mental health training provided by MercyCare. Five firefighters and officers attended a one-day leadership symposium in Altoona. Our newest members completed live fire training at Kirkwood this month. Tomorrow they are driving to Cedar Rapids to use their drill tower for ladder training. We will be assigning them to crews soon.

Other activities this month included

- Assisting the American Legion with flags July 4th.
- Providing several tours to various summer day care programs, including letting our own Adventure Camp kids help us wash the fire trucks one morning.
- Prepping for FunFest activities.
- Attending the State of the City luncheon.
- Conducting inspections at several new occupancies.
- Hosting a blood drive.

Thank you for your support.
