Memo:

To: Mayor and Council Members
From: Cindy Kudrna, Finance Director CK
Date: December 16, 2016
Re: Bills presented for payment

Due to some complications in our software conversion with the water department, I am unable to process any invoices today. I am also unable to finish the month end reports for November, I will have all of these reports for you Wednesday before the council meeting.

If you have any questions, please call me prior to the meeting.
