Re: Hiawatha Dog Park Fence Quotes

As part of the Hiawatha Dog Park project we are installing approximately 1,400 feet of black chain link fence with several gates. This is the next phase of this project. We prepared some specifications and solicited quotes from 4 fence contractors.

On August 7, we received 3 quotes for the fence installation. The low bidder was D & N Fence from Cedar Rapids, Iowa. We recommend awarding the contract to D&N Fencing in the amount of $25,934.80. Once we get the fence installed, we will finish grading the area and get some grass seed spread.

D & N Fencing	$25,934.80
Cooks Fencing	No Bid
Central Iowa Fencing	$56,681.00
Lifetime Fencing	$39,207.50
