HIAWATHA FIRE-RESCUE

MEMORANDUM

TO: HONORABLE MAYOR, HIAWATHA CITY COUNCIL

FROM: MIKE NESSLAGE, FIRE CHIEF

SUBJECT: MONTLY REPORT FOR MAY 2019

DATE: 6/13/2019

Attached is the statistical data for May of 2019. The fire department had 99 calls for service in the month of May 2019. Year to date total is 594, up 12% from 526 for the same period last year. May was a busy month for the fire department in terms of activities. Both Matt Powers and Zach Brunscheen were married this month, with them taking vacation time off to prep and celebrate. We had a number of activities through the month with something nearly every weekend. Here are a few of the times.

- Kirkwood Paramedic Class was wrapping up. As a result, we had a lot of paramedic student ride along in May. We are also celebrating as TJ Brown, and Doug Cole both passed their paramedic, and we expect Shay Minear to pass hers this week yet.

- May 3rd the FD staff attended, with you and other city staffers, the Homebase Iowa presentation at City Hall. We have been successful with recruiting several veterans as volunteer firefighters.

- May 4th in the morning, we had a display of the Gator at Firehouse Subs. It was well received and we had a lot of visitors to check it out.

- That evening on May 4th, we celebrated the fire department volunteers with some of you at the Kernels Baseball game. The event was well received and very much appreciated.

- May 6th I did an above ceiling inspection at Taco Johns

- May 7th I met with Robins and Monroe Fire Chief's to put the finishing touches on the automatic mutual aid agreement, that all three bodies approved. Earlier this week we met again, with Lt. Kasper from the Sheriff's department dispatch. He assures us he will be able to implement our request for simultaneous dispatch on structure fires.

- May 7th in the evening we had a department officers (leadership) meeting.

- May 8th I did an above ceiling inspection at 1090 Sherman Rd. which will be Family Dental Care.

- May 8th Nick Jellison attended a meeting at Nixon with the PD reference an active threat drill.

- May 9th the FD participated in a Play and Learn at the Library. I read a book and we showed the truck to the kids.

- May 11th we provided EMS stand by at Mary's Meals 5 K

- May 14th we attended the ribbon cutting for Farmers State 50th anniversary. Later that week on the 17th we attended their appreciation event during lunch. The firefighters association also loaned FSB chairs and tables for that event.

- May 14th Brunscheen and I witnessed the final testing for the Ansul Hood System at Taco John's.

- May 15th we officially kicked off orientation training for this class or new members. I gave the first session where I welcomed them and talked about department mission and values. This is a great group and we are excited as we continue working with them.

- May 19th, we hosted an open house at the fire station to celebrate National EMS Week. This was organized by Shay Minear, and featured stations on stroke recognition, bleeding control, CPR, along with tables with the Epilepsy Foundation and Safe Kids gave away bike helmets. We had a little more than 100 people pass through.

- On May 20th about 15 members attended training with Robins Fire Department. Robins hosted Lifegaurd training.

- On the evening of May 21st, we went to Monroe Township and trained with them in their SCBA Confidence course. We originally were slated to train at a house on Robins Rd. but the rain drove us inside. To stay consistent, we returned to Monroe on May 28th.

- Banacom finished up the graphics on the trailer on the 21st.

- May 23rd we hosted the Blank Children's Hospital Fire Safety House. 13 members assisted at both Nixon and Hiawatha Elementary Schools with over 100 kids going through the unit, reviewing their fire safety lessons.

- During both Powers wedding (May 11th) and Brunscheen wedding (May 24th) a number of members were gone. Monroe Township was able to supplement our response by sending members to ride along with our crew.

- May 27th Firefighters assisted the Legion in putting flags out for Memorial Day.

- May 29th we conducted a fire extinguisher demo at REM facility on Stamy Rd. Apx. 25 people attended.

- May 31st Nick Jellison and Shelby Van Weelden conducted CPR training for parks employees. The same day, Matt Powers attended a table top drill at the Cedar Rapids Air Port.
