Re: Edgewood Road PCC Whitetopping Project

Description: Detour Agreement with Linn County

Report:

We have been working with Linn County to participate in the Edgewood Road paving project the summer of 2018. The grading and culvert reconstruction project took place last summer.

This section of Edgewood Road (formerly Loggerhead Road) is approximately 1.8 miles in length and is partly in Hiawatha and partly in Linn County. The final plans for the paving project are almost complete, with bidding planned for March 6th at the Iowa DOT monthly letting. In order for the project to be completed, a detour will be established on Tower Terrace Road, Center Point Road, and County Home Road. (See attached) The DOT requires that any jurisdiction within the posted detour approve the use of City streets as a detour route for the project.

Engineering recommends approval of the detour agreement with Linn County. If you have any questions please feel free to contact me.
