Re: 2016/17 Half Ton Truck

On May 12th we received 3 bids for replacement of unit #920, a 2006 F150 truck. This truck was scheduled for replacement in 2014 but we got a few more years out of it. I recommend that we purchase the truck from Lynch Ford for $24,230. The funds for this are in the Equipment Replacement Fund. The old truck will be passed to the Engineering Dept. to replace the 2005 Chevy Tahoe which came from the Fire Dept. We will sell the Tahoe ourselves. Delivery date is 8-10 weeks from order date. Let me know if you have any questions.
