Mayor Bennett opened the public hearing to consider rezoning of properties located at 3950, 3980 and 3990 Blairs Ferry Road from A (Agriculture Zone District) and C-2 (Neighborhood Convenience District) to C-3 (Highway Commercial District) as requested by Peck's Landing, LLC at 5:31 P.M.

Chad Pelley of Ahmann Companies announced he is available to answer any questions on the project.

Mayor Bennett asked City Engineer Bender and Community Development Director Parsley to provide background information on the rezoning request and Planning and Zoning recommendation.

City Engineer Bender explained the property is located at the corner of Edgewood Road and Blairs Ferry Road and includes a rezoning application and preliminary plat.

Community Development Director Parsley said Planning and Zoning heard both the rezoning and preliminary plat requests. There were no major concerns except educating neighbors on the plans for the property. Parsley said there is a timing issue so staff is asking City Council to consider only the first reading at this time. Final approval is contingent on the developer addressing traffic in the area.

Mayor Bennett added he attended the Planning and Zoning meeting and citizen concerns mainly related to the type of project planned for the property. This matter was addressed during the meeting.

No additional written or public comments were received at or prior to the public hearing. Public Hearing closed at 5:34 P.M.
