Re: **Lewis Access Road Whitetopping Project**

Description: **Detour Agreement with Linn County**

Report:

This section of Lewis Access Road west of Center Point will be reconstructed by Linn County this summer. The project will be similar to the whitetopping project on Edgewood Road. Because the County is setting up a detour on a portion of Edgewood Road in Hiawatha, the DOT requires we approve their established detour route in the City. (See attached) This detour should not cause us any issues during construction.

Engineering recommends approval of the detour agreement with Linn County. If you have any questions please feel free to contact me.
