Citizens Report

Phillip Matthews of 103 East Willman Street addressed city council with the following questions/concerns: how the library project is not an increase to taxes, shortage of parking with the expansion to the library and also stated in his opinion the city does not need a big library.

Council Member Bruns stated funding is already allocated for the library. He also commented the library has adequate staff but the existing building is not large enough for staff and programs. Bruns additionally noted parking will be added to the east.

Library Director Weeks commented the library had a patron counter that was not working properly. Weeks said the library has since purchased a new counter which shows the increased average number of patrons per day.

Kenny Jones of 2125 Grey Wolf commented he is on the Planning and Zoning Committee and voted nay on the library site plan. Jones said the library does not have enough parking spaces for the new building. Jones questioned if the library was supposed to raise \$2 million dollars from the public when it appears the library has only raised \$850,000. Jones questioned what happens if the library doesn't get enough funds.

Council Member Rampulla responded the library project will not happen if the library doesn't raise \$2 million.

PUBLIC HEARING – to consider amending Hiawatha Code of Ordinances Chapter 41 Public Health and Safety §41.12 Illegal Use of Fireworks by establishing a time period to use and explode consumer fireworks

Mayor Bennett opened the public hearing to consider amending Hiawatha Code of Ordinances Chapter 41 Public Health and Safety §41.12 Illegal Use of Fireworks by establishing a time period to use and explode consumer fireworks at 5:42 P.M.

Dan Hoffmann of 1241 Rainbow Blvd asked council to consider a longer window for people to shoot fireworks.

Phil Matthews of 103 East Willman Street inquired about the time period for shooting fireworks and the need to increase police enforcement.

City Administrator Downs explained staff initially wanted to mirror the city of Marion's time frame for shooting fireworks. During session Marion city council amended their ordinance to allow shooting of fireworks as follows; July 4th from 12:00 P.M. to 11:00 P.M. and December 31st from 6:00 P.M. to 12:30 A.M. on January 1st.

Downs asked council to consider changing the Hiawatha ordinance to reflect the same time period as Marion to maintain uniformity between the communities.

No additional written or public comments were received at or prior to the public hearing. Public Hearing closed at 5:47 P.M.

150 W Willman Street – Hiawatha Public Library

Council Member Wichtendahl asked why this item is on the agenda before the vote on the referendum. Wichtendahl expressed concern about the public perception of rushing to approve the site plan before residents vote.

City Administrator Downs commented there is a need to determine if the building expansion fits the space and if it meets the design guidelines.

Parsley said the project would have to go through this process eventually and this action confirms it is possible to build on the current site.
