

The Hiawatha City Council met in regular session in the Hiawatha Council Chambers on February 21, 2018. Mayor Bennett called the meeting to order at 5:30 p.m. Council members present: Dick Olson, Rob Archibald, Denny Norton, Steve Dodson, and Aime Wichtendahl. Staff present: Community Development Director Pat Parsley, City Engineer John Bender, City Administrator Kim Downs, and Police Chief Dennis Marks. Guests: Daniel Hoffmann and Kenny Jones.

Norton moved approval of the agenda, seconded by Olson. Motion carried.

Wichtendahl moved the approval of the following consent agenda items: Approval of bills; Finance Director's Report for January 2018; City Clerk's Report for January 2018; Department Reports: Community Development, Fire, Library, Parks and Recreation, Police, and Public Works; upgrade to current liquor license – adding Class E Liquor License (LE) for Casey's General Store #2764 located at 780 N Center Point Road, effective immediately, seconded by Dodson. Motion carried.

Report from Council Members/Mayor/City Administrator

Council Member Wichtendahl reported she attended the Parks and Recreation Commission meeting and there were some citizens who presented multiple concerns on the Hodge property recently purchased by the city; safety and privacy were the major concerns. City Administrator Downs added staff is working through issues and the Parks and Recreation Commission did a good job of handling the citizen inquiries. Downs said the trail would help make connection and the city will put together a committee of citizens to provide input on the trail.

Council Member Norton stated he attended his first crime stoppers meeting last night. There were 25 tip line calls, crime rising in various cities in the area. Norton said there is something called car hopping where culprits get into cars and steal the contents. Another issue is for rent ads posted on realtor sites to scam money out of people.

Council Member Dodson said he attended the Water Board meeting where there was further discussion on water towers including cost estimates; no decision was made at this time. Dodson additionally noted the Water Department is taking part in a pilot program with Ready Wireless by installing the groove equipment in water vehicles; this helps with distracted driving. Dodson added the Water Department is putting numbers together to hire another entry level position as they are currently down one employee.

City Administrator Downs announced the next special closed session is February 26 to go over the results of the Town/Village Center scoring evaluations. Downs said she received information from Council Members Archibald and Olson regarding feral cats and staff met today to come up with a recommendation.

Mayor Bennett added the Iowa Department of Transportation will be visiting tomorrow to take a tour of the area and visit with local business such as CCB Packaging, UPS and Crystal Group about the need for the interchange.
