Citizens Input

Preston Moore of Cedar Valley Humane Society commented in 2015, 49 stray cats were brought in from Hiawatha, 2016, 43 stray cats were brought in and 2017, 20 stray cats were brought in. Iowa Humane Society trapped and neutered 159 cats, if all 159 cats were brought in to agency as stray cats - \$20,670 bill to Hiawatha for animal control. Moore stated they want to help the city save money and to reconsider TNR programs because a cat has a three day stay to spade and neuter and is \$130 for three days.

City Administrator mentioned staff is putting together information on feral/stray cat programs and will come back to council with options.

Report from Council Members / Mayor / City Administrator

City Administrator Downs announced IDOT paid a visit to Hiawatha on February 22. Director Lowe and local IDOT toured infrastructure facilities and Tower Terrace Interchange, and visited with local business including CCB Packaging, UPS, and Crystal Group to discuss how they utilize infrastructure and I-380, and what it means to their operations. Downs said the city will provide drone footage of Boyson Road and the interstate to show why the project is important. The city plans to meet with IDOT again in the fall to keep in front of them.
