Re: **2019 Center Point Road and Willman Street Traffic Signal Project**

Description: **Public Hearing**

Report:

Hiawatha has contracted with Shive Hattery Engineers to prepare the plans and specifications for the 2019 Center Point Road and Willman Street Traffic Signal project. This includes a new semi-actuated traffic signal at Willman Street that will only change when a call comes from the side street.

We are taking bids at 10:00 AM on June 4th. We will prepare a bid tab and analysis of the bids for the meeting Wednesday June 5th. The plans and specifications include the following:

- Installation of traffic signal, and the traffic poles preordered by the City
- Remove and replace the intersection and sidewalks
- Close Willman Street during construction and establish detour routes
- Project is budgeted with LOST funds
- The project schedule:
  - Take bids June 4, 2019
  - Public hearing, approve plans, specifications, contract, estimate of cost June 5, 2019
  - Council award contract and bond June 5,2019
  - Early start date June 17, 2019
  - Complete project by September 2019

Any further questions please let me know.
