Citizens Input

Dan Veerhusen wanted to remind citizens of a weekend field day of amateur radios at 1241 Rainbow this Saturday and Sunday with a demonstration at 10 AM and the actual operation beginning at 1 PM.

Archibald stated that he appreciates all they do for the community.

Report from Council Members/Mayor/City Administrator

Norton reported he attended a crime stoppers meeting last night where the narcotics issues were discussed. He also reminded everyone of the golf outing in August.

Archibald reported that there was a library board meeting last week and that they are moving forward with construction. He stated that he appreciates the Legion putting flags out on Flag Day.

Dodson reported that there is a new member of the water board; Bob Rampulla. Council agreed Rampulla has a lot to offer and is a welcome addition.

Downs explained the efforts for mosquito control. She explained that we have sent out press releases for several dates but the spraying hasn't worked out due to the weather and equipment breakdown. She reminded everyone of the 12th avenue open house on Thursday from 5 P.M. - 7 P.M. Downs also recognized Hiawatha's fastest growing businesses: Boomerang Corporation, Crystal Group, Mobile Demand, Wickwire Chiropractic & Wellness Center and Channel Fusion. She thanked IMWCA for making safety a top priority. The City's Mod Factor rate decreased a little over \$50,000, and there was approximately \$5,000 in savings from the year before. Downs introduced two summer interns from local high schools, Maddie and Riley. Kim expressed her excitement at having them as part of our team.

Hiawatha Parks and Recreation Vision 2029 Plan

Shawn O'Shea from MSA Professional Services gave the Council an overview of the plan. He explained Chapter 1 gives a snapshot, inventory, and issues in the existing park system and discusses what our vision is for 5-10-20 years from now. He expressed that we want the plan to grow with the community and mentioned a possible review at the 5-year mark. He explained that Chapter 2 has the feedback they received from an online survey, public open house, and listening sessions. Chapter 3 explains the visions, goals, concepts, and location of a possible future recreation center. He expressed that many people want a place to go and get out of the weather, this would give more opportunities.

Norton asked if the building would go over the baseball diamonds. O'Shea explained that there are many different options of where the building could go and that there are pros and cons to each location.

Norton also stated that he thought the vision was awesome and captured all of the inputs.

Archibald commented that it was good to look back at what has been accomplished and where we are going.

Wichtendahl asked if they had gotten feedback from children. Kelly Willadsen explained that they had some feedback, but not all schools participated. She said that they would do more with this because the action plan allows for additions.

Norton expressed that MSA, Kelly and the Park and Recreation Commission and Department did an awesome job with the plan.
