Re: Tandem Truck Chassis

On Friday, May 12th, we mailed out 5 RFP's for a 2017/18 tandem dump truck chassis. On May 31, 2017 we received 2 proposals back. I have reviewed the proposals and recommend that we purchase the truck from Thompson Truck and Trailer of Cedar Rapids for $86,650.00. The truck will be a 2018 International 7400 SFA 6X4. Delivery will be sometime in August. Then it will go to the truck box manufacturer for body installation. There are funds in the Equipment Reserve Fund for this truck.
