Memo

To: Mayor, Kim, City Council

From: Rod Jasa

Date: May 30, 2017

Re: Stop signs on A – Ave

As part of the Emmons/CPR Intersection Project Phase 1 a stop sign was installed on Southbound A-Ave at E. Clark St. This is on the new section of A-Ave that was paved with the project. This sign has not been approved by City Council. The northbound traffic on A-Ave currently has a yield sign at E. Clark St. There is a yield sign at E Willman and A-Ave also. We should replace that with a stop sign too. I recommend that Council approve installing stop signs to replace the current yield signs on A-Ave and approve the current stop sign on A-Ave at E. Clark St.
Also, we will need a stop sign on east bound Oak St where it now intersects A-Ave. When Oakbrook lot develops that will increase traffic on A-Ave. I recommend that Council approve this location for a stop sign. I have discussed this with John.
