HIAWATHA FIRE-RESCUE

MEMORANDUM

TO: HONORABLE MAYOR, HIAWATHA CITY COUNCIL

FROM: MIKE NESSLAGE, FIRE CHIEF

SUBJECT: MONTHLY REPORT, FEBRUARY 2017

DATE: 3/10/2017

February was marked as a pretty quiet month for us. We responded to 95 calls for service. The statistical data is attacked as normal. Note that it shows only 92 calls for service as we still have 3 reports pending review, and the software will not count those until we review them. That's 228 calls year to date against 173 last year in January and February.

The ratio to medical and non medical was about the same, but it appears we transported a lot of people related to "winter illness" type things; respiratory and gastrointestinal. We didn't get by without it hitting the fire department. I was off for almost a week with a respiratory virus. One of the part-time firemedics was off several weeks with the virus. Both volunteer and paid staff had it at various times and several missed work days or volunteer duty days. We managed to squeak through without any real issues, other than a stack of extra work on my desk.

Between illness and calls, we were able to squeeze in a few activities. We went to Hiawatha Elementary (February 6) and Nixon Elementary (February 8) to talk to the kids about using 9-1-1. We have a simulator that allows them to practice. State Farm Agent Dale Thompson joined us that day as volunteer for the program. State Farm has sponsored that program for a number of years and agents will come out and assist.

We assisted the Legion in obtaining an AED for their building about 6 months ago. They wanted us to provide some training on it for their members. Shelby Van Weelden and Dan Veerhusen provided CPR and AED training to the American Legion. While we are discussing CPR, the entire fire department renewed CPR certification this month for our training. That used most of our training time. We also did a hands on fire training rotation for members that could attend an additional session on Feb. 28th.

We are working on our mental health and wellness program. Shelby attended a 20 hour training on peer support for critical incident stress in conjunction with Cedar Rapids PD. I had the opportunity to meet with Fr. Ressler and his staff from St. Elizabeth and begin discussion regarding fire department Chaplains. As you know, you approved the EAP agreement with Mercy. We are going to roll all that info out to the membership in early April.

Thanks for your support. We have a lot of activities going on right now, so I expect our March report will be a little longer. Let me know if you have any questions.
