Re: May Public Works Report

Streets – Well summer is here! Not much of a spring. May was pretty hot! We repaired the 2 street patches on Boyson Rd and 1 on Oak St. We had a street concrete blow up on Blairs Ferry Rd that we had to fix. See photos. We'll have a contractor come in and saw and replace this area sometime this summer. I submitted a Branching Out tree grant for 20 trees to plant in the ROW. Most of these are replacing trees that have died. We did the Spring Amnesty pickup in Hiawatha. It went pretty good. We installed the flags for Memorial Day and will leave them up until after the 4th of July. We did the usual mowing and got the irrigation systems up and running. Vehicles serviced: 850, 860, 565, 510.

Sewer – We had the pump in the Edgewood lift station rebuilt and it is back in service.

Storm Water – Nothing to report.
