Dear Hiawatha Business,

The Hiawatha History Committee is pleased to announce their latest project, the publication of a history book covering the history of the City of Hiawatha! We are diligently working on going through our large collection of photos and written archives to create a printable format to send off to a local printing company to create the book. Our goal is to get the history book ready for release to the public by the end of 2018.

We're currently looking for sponsors from the local business community who would be willing to support the Hiawatha History Book project. May we count on you to provide a monetary sponsorship to help fund the cost of formatting, printing and binding of the book?

For your generosity, we would feature your company in the Hiawatha History Book with a short write-up and company supplied photo acknowledging your sponsorship.

Please include your sponsorship in the self-addressed envelope included in this letter. Sponsorships should be returned to the Hiawatha History Committee no later than _____, 2017. We will reach out you upon receipt of your sponsorship to discuss your write-up for the book.

Thank you in advance for your willingness to help us preserve the history of Hiawatha.

Sincerely,

Hiawatha History Committee Members:

Pat Semelroth (Chair)	Dick Larson	Tom Theis
