Re: May Public Works Report

Streets – May always starts off with City Clean up week. This year the pick up totals were similar to the last several years. 61.25 tons of refuse picked up. I say this every year but I'll say it again. Thanks to ABC disposal for letting us use their garbage trucks! This year they let use 2 trucks and we finished in 2 days. Normally we get done in 3-4 days. The crosswalk signals at Boyson Rd and Tower Terrace that we installed are up and functioning. We picked up our new(to us) bucket truck and it works great! Thank you Council! We put up the USA flags along Center Point Rd for Memorial Day and we'll leave them up through 4th Of July. We the normal ROW mowing, street sweeping, pothole filling and street sign repair. Vehicles serviced: 700, 810, 800, 830.

Sewer – Electric Pump was here to do the yearly inspect of the lift stations. All of them checked out OK.

Storm Water – We had to jet the storm sewer in the front City Hall parking lot. It was plugged because of all the construction taking place on the intersection project. Also jetted a storm sewer pipe on Edgewood and Boyson which was also plugged because of construction.

Actual hours worked by Public Works employees in each department. Leave with pay hours are not included.

	Streets 21010		Snow 25010		Parks 43010		Sewer 81510		Water 81010		Storm Water	City Hall
	Reg	OT	Reg	OT	Reg	OT	Reg	OT	Reg	OT	Reg	
Total	624				15		9		48		3	4
