City of Hiawatha!
Public Works

Memo

To: Mayor, City Admin and City Council

From: Rod Jasa

Date: May 9, 2019

Re: April Public Works Report

Streets – April was cool and rainy. We had 4 inches of rain in April. In between showers we were able to get a variety of things done.

- Water leak GP fountain
- Rock road shoulders
- Get things ready for Earth Day.
- Repair street lights on Diamondback Rd.
- Wash windows in bus stop shelters
- Check locates.
- Repair various signs around Hiawatha.
- Mow ROW.

Vehicles serviced: 810, 580, 840, 565, 540.

Sewer – We are working on alternatives for the Edgewood Rd Sewer project because of bedrock being in the way.

Storm Water – We replaced 80 feet of drain tile on Ashworth Ct that had been causing us problems. It was full of tree roots. The original pipe did not have any fabric around it. We put fabric around the pipe we installed.
