Re: April Public Works Report

Streets – We spent quite a bit of time assembling and installing the crosswalk signals on the Boyson Rd and Tower Terrace Rd trail crossings. They are pretty much ready to go. Just waiting for official word to turn them on. We repaired a street patch on Kainz Dr. and a driveway on Ridgewood Dr. from water leaks that occurred last winter. We spread some rock on 4th Ave and did some pothole filling around town. Vehicles serviced: M12, 850, M8, 520.

Sewer – We are having some issues with Loggerhead lift station. We are getting high level alarms when the Water Dept. flushes the end of the Edgewood Rd water main. We've changed the length of time the flusher runs and that seemed to have cured the problem.

Storm Water – We had a call about the French drain tile in front of 1284 Eisenhower not working correctly. We did some investigating and found some tree roots in the tile. We replaced a section of our tile and the home owner had to replace a section of his too.

Actual hours worked by Public Works employees in each department. Leave with pay hours are not included.

	Streets 21010		Snow 25010		Parks 43010		Sewer 81510		Water 81010		Storm Water	City Hall
	Reg	OT	Reg	OT	Reg	OT	Reg	OT	Reg	OT	Reg	
Total	545		6		19		28				67	8
