Re: Replacement of Duty Handguns

We have the opportunity to upgrade our current duty handguns to the newest version at no cost. I am seeking council approval to move forward with replacing sixteen Glock 17 9mm handguns.

All officers are issued a Glock 17 4th Generation handgun to carry on duty. Glock has now released the 5th Generation of the same gun. The 5th Generation weapon has improvements which make this no cost upgrade appealing.

The improvements include an ambidextrous slide for easy accessibility of left hand shooters. It also has a different finish which will last longer and better protect against elements. And finally, of the 35 improvements, a new barrel with better rifling for improved accuracy is the most desired. Making this switch will not require changing our holster or associated magazine carrying pouches.

I have two price quotes for the purchase of new handguns. The low quote from Kiesler Police Supply is $409 per gun. Cedar Valley Outfitters in Marion has agreed to purchase our Gen 4 handguns at a price of $409 per gun. Both quotes include night sights and 3 LE Magazines.

I am asking the council to consider authorizing the purchase of sixteen Glock 17 Gen 5 handguns for $6544 from Kiesler Police Supply and the sale of sixteen Glock 17 Gen 4 handguns to Cedar Valley Outfitters for $6544.
