HIAWATHA FIRE-RESCUE

MEMORANDUM

TO: HONORABLE MAYOR, HIAWATHA CITY COUNCIL

FROM: MIKE NESSLAGE, FIRE CHIEF

SUBJECT: FIRE DEPARTMENT REPORT FOR APRIL 2019

DATE: 5/9/2019

It seems like this wet spring is flying by and I was just typing March's report. I put a number of items before you on this agenda, you will be discussing new ambulance rates, 28E agreements with Robins and Monroe township for Automatic Mutual Aid, and placing the Fire Department Master Plan on file.

We had 125 runs in the month of April, which puts us at 495 for the year. Last year we had 434 at the end of April. That's a 14% increase over the same 4 month period. In the 12 months ending April 2019, we had 1364 calls which are up from the 1240 we had for a similar period in ending in 2018.

April Activities included;

- EMS training on April 9th concentrated on Truama and bleeding control
- Fire Training on April 16 and 23 was multi company drills/hoselines.
- Deputy Chief Powers, Capt. Ransford, and I attended a professional development seminar in Ames on April 2
- I attended the Iowa Fire Chief's Conference in Ames on April 3rd
- FF Hussman and Schinstock, Lt. Lellig, and I attended a National Fire Academy course in Altoona on April 4th and 5th
- 20 Firefighters from Hiawatha, along with firefighters from Monroe Township, Robins and Alburnett participated in live fire training in the house at the corner of Edgewood and County Home Rd. April 7th
- Firefighter VanWeelden and I made a presentation to Scouts at the Izaak Walton League on the evening of the 7th.
- Deputy Chief Jellison attended the Iowa EMS billing conference in Des Moines on April 9th.
- 13 firefighters assisted St. Elizabeth Ann Seaton with a small prairie burn on April 9th.
- Deputy Chief Powers, along with Deputy Chief Wyman from Marion, gave a presentation to other departments on Fit Testing on March 9th. This was supported by Linn Public Health.
- Nine members assisted with the Healthy Linn 5K on April 13th.

- Two firefighters did training with Palo Fire on April 16th, to familiarize them with our ambulance.

- A number of firefighters participated in the Earth Day activities and at the same time, with the Red Cross on the smoke detector project. We do not have specific numbers on the smoke detector project but they tell me it was "A lot".

- Deputy Chiefs Powers and Jellison, along with Captain Ransford and Firefighter Zlabek attended a Target Solutions Training seminar in Altoona on April 29th.

- Myself and John Zlabek met with Deacon Dennis Mulherin, from St. E's, on the 30th. We wanted to take a closer look at the Chaplain program to see if there could be improvements. The major change is that Deacon Dennis is going to be our primary contact, and he is going to try to attend more of our events. The other Deacons and Father Mark will still be available for back up. Along with that John is going to help me maintain better contact with Deacon Dennis about events.

- Matt is on vacation for three weeks as he is getting married and going on honeymoon. Zach and I are covering his fire inspection duties and I am covering his training duties.

- We will have 10 new members starting on May 15th with us. I will provide a full roster update to you next month.

April 2019 Monthly Report

Hiawatha Fire Department

Incident Count by Weekday and Hour for Zone, for Shift and Date Range. Zone information is defined on the Basic Info 3 screen of an incident. Only REVIEWED incidents included. Maximum call volumes for each day are shown with a RED background, and maximum call volumes for each hour are shown with a BLUE background. "% of Responses for Day" indicates the maximum hourly call volume as percentage of total calls for the day of the week. "% of Responses for Week" indicates the total number of calls for the day of the week as a percentage of total calls.
