## *10th Anniversary –*
## Our Woodland Legacy Symposium

# Why Cities Need Nature
## (and Nature Needs Cities?)

Attend and discover how people can better co-exist with nature and why it is important to our cities. For a decade now, ***Our Woodland Legacy*** has served as an educational forum where community leaders and advocates come together to learn and collaborate.

### Kaid Benfield
***People Habitat: Eight Key Thoughts for Greener, Healthier Cities***
Kaid is the Senior Counsel for Environmental Strategies at Placemakers LLC and author of the book ***People Habitat: 25 Ways to Think About Greener, Healthier Cities***.

### Joanna Eckles
***Building a Bird-Friendly Community***
Joanna is the Bird-Friendly Communities Manager for Audubon Minnesota.

### Dr. Suzanne Bartlett
***Rx for Nature***
Suzanne is an OB-Gyn & Integrative Medicine Physician with Mercy Cedar Rapids.
