Re: August Public Works Report

Streets – We were able to continue our street repairs. We completed a project on Ryan Ave. and started a project on N. Compton. We took down the flags. We started the stump removal and grading in the vacant lot at the shop. We planted 33 trees on N. Center Point Rd and Boyson Rd. with the help of the Boy Scouts and Trees Forever. These trees were from a grant we received from Branching Out and Trees Forever. Vehicles serviced: 850, 920, 810, 830, 800.

Sewer – We repaired some sewer manholes while doing our street repairs. All lift stations are working correctly.

Storm Water – Nothing to report

Actual hours worked by Public Works employees in each department. Leave with pay hours are not included.
