Re: Public Hearing for the 2016 Boyson Road Trail Extension Project

---

You will notice there is an item on the agenda to hold a second public hearing on the plans, specifications, form of contract and placing estimate of cost on file for the 2016 Boyson Road Trail Extension Project. Council did previously hold a public hearing for this item on September 21, 2016.

The reason staff is putting this item back on the agenda for a second public hearing is because the notice that was published in the paper listed the public hearing date as October 5, 2016. Proper protocol would be to start the process over to allow any public comment we may have missed and to make sure our resolution date reflects the hearing date listed in the paper.

If you have any questions please let us know.
