Memo:

To: Mayor and Council Members
From: Cindy Kudrna, Finance Director CK
Date: September 11, 2018
Re: Bills presented for payment and month end reports

Due to the packet being done today and attending the League of Cities conference the rest of this week I will not have the bills list or month end reports for August for you in your packet. I will have all of these reports for you on the diaz, Wednesday before the council meeting.

If you have any questions, please call me prior to the meeting.
