Re: September Public Works Report

Streets – September was another busy month. With all the projects going on seems we are dealing with one issue after another. We had another bus stop shelter vandalized. 2 windows were broke out on Sept. 20th in the Boyson Rd shelter. This makes a total of 13 windows vandalized in the last couple months. 6 of our 7 shelters have had at least one window broken out. Before this year, we haven't had a single window vandalized. We did a street repair in the 1200 block of Eisenhower Rd. We took down the flags from Labor Day. We trimmed some trees on City property that were encroaching on the street. We installed some No Parking signs on Diamondhead Dr and Forrest Meadow Ln. We have done some more research on the N. Center Point Rd LED street lights. A factory rep is coming to look at the. Vehicles serviced: 770, 330, 580, 300, 840, 800.

Sewer – We had the initial County Home Rd lift station start up and I think we got the bugs worked out. The contractor is STILL working on the punch list to complete the Sewer and Water project.

Storm Water – With the paving of A-Ave some new drainage issues were created for a couple residents on B-Ave. To alleviate this we dug a couple trenches along the back side of Oakbrook so the water has a more direct path to Dry Creek.

Actual hours worked by Public Works employees in each department. Leave with pay hours are not included.

	Streets 21010		Snow 25010		Parks 43010		Sewer 81510		Water 81010		Storm Water	City Hall
	Reg	OT	Reg	OT	Reg	OT	Reg	OT	Reg	OT	Reg	
Total	558.5				4		38				47
