Re: Hiawatha Dog Park Equipment Quotes

As part of the Hiawatha Dog Park project we are in need to order equipment, benches and trash receptacles. These will be installed in both sections of the park. We used our resources and gathered quotes from three online companies: The Park Catalog, Park Warehouse, and Belson Outdoors.

You will see the costs associated from each company in the table below. The low bid came in at $13,036.44. We recommend ordering from The Park Catalog in the amount of $13,036.44. The parks department has ordered from this company in the past. We will install this equipment before they drill seed the fertilizer.

The Park Catalog	$12,166.40 + 870.04 freight = 13,036.44
Park Warehouse	12,048.34 + 1,401.57 freight= 13,449.91
Belson Outdoors	12,157.00 + 992.75 freight = 13,149.75
