

July 2017

Volume 112

North Center Point Road/Emmons Street/Robins Road Intersection Update

The west side of North Center Point Road is now complete. The contractor has moved traffic to the newly constructed west two lanes, which allows the removal of the east one-half of the street. The remainder of the intersection will be completed next and Emmons Street and Robins Road will be reopened using the new intersection and traffic signals. The last phase will be the reconstruction of Robins Road to the north. Plan for traffic delays during this phase and please proceed with caution as a considerable amount of construction equipment is working in the area.

The work includes a new traffic signal, new street lights, new bike trail and landscaping.

Tower Terrace Interchange

On June 13, 2017 the Iowa Department of Transportation Commission approved the Fiscal Year 2018-2022 Transportation Improvement Program. The program reflects Iowa’s investment in the multimodal transportation system to provide safe and efficient mobility. The new standard diamond interchange proposed at I-380 and Tower Terrace Road is included in the 2022. The program is posted on the Iowa DOT website.

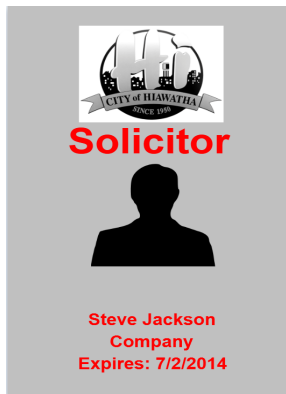

State schedules long-awaited Tower Terrace Road interchange project for 2022 | The Gazette

Look for the Hiawatha I.D. Badge before Doing Business with Solicitors and Peddlers

They may be driving an ice cream van up and down the residential streets selling frozen treats, parked in City right-of-way selling food out of a pushcart, or going door to door selling their goods and services. Individuals carrying out any of these types of activities are known as solicitors/peddlers or “vendors.” To confirm the vendors are registered and licensed to conduct business in our City, residents should look for an identification badge issued by the City of Hiawatha.

If the vendor is not wearing the identification badge in plain sight, ask them to present the badge which will have the Hiawatha logo printed on it, along with the individual’s name, company name and license expiration date.

A picture of the identification badge is shown below:

Please contact the Police Department at: 319-393-1212 or the City Clerk’s office at 319-393-1515, with any concerns regarding a vendor conducting business in your neighborhood.

Corridor Business Journal’s 2017 Fastest Growing Businesses Named

Corridor Business Journal (CBJ) celebrated entrepreneurs for the 10th year during their 2017 Fastest Growing Businesses award’s program. Four of our local Hiawatha businesses continue to adapt and grow as they were honored among their peers on June 7, 2017.

In today’s market companies learn very quickly that they need to carve out their own niche in their industry and with many entrepreneurs develop ways to perform more efficiently. CBJ said this year’s field was as diverse as ever, including not only high-growth industries such as e-commerce and technology, but electrical and HVAC contractors, landscapers and consulting firms.

Ahmann Design continues to make the list as number 11 of the 25 business recognized during the event. As the CBJ put it, “There’s no sitting still for Mr. Ahmann. No less than four companies started by Mr. Ahmann have landed a spot on the prestigious list. He started out in 1991 with his home design firm and most recently started Pivot Real Estate, which offers sales and leasing.” Ahmann Design saw their growth in the 88.83%.

Ready Wireless is no stranger to the list either. The Ready Wireless MVNO Engine is the premier white label solution for building wireless telecommunication products and services. Over the past 10 years their innovative approach has helped grow their revenues by 136.9%. In 2016 their revenues grew \$77 million from \$32 million in 2014. Ready Wireless was recently named “best aggregator of mobile technology” at a global conference in Nice, France.

Premier Staffing made its fourth appearance on the CBJ’s fastest growing list. Premier Staffing was a startup company needing to fill its own positions for CCB Packaging and grew from there. “They have been a 40.49% growth due to their highly skilled team and ensuring their customers have a great experience by keeping the process simple, says Vice President Rod Hanssen, CBJ.

Midwest Microwave Solutions (MMS) designs and manufactures innovative, high performance radio frequency tuner and radio frequency digitizer products for SIGINT, COMINT, ELINT and SDR applications for US Government and Intelligence Programs. MMS’s experienced a 109.19% revenue growth on the bases of their continued advanced knowledge of their employees and quality products that continue to evolve.

These four “Fastest Growing Companies” numbers are simply amazing. When you think about the economy and the growth these companies have been able to achieve over the years it is nothing but remarkable. These Hiawatha entrepreneurs among many in companies in Hiawatha continue to create excitement in our community and add value to our eco-system as a whole.

The City Council and Mayor Bennett congratulate Ahmann Design, Ready Wireless, Midwest Microwave Solutions and Premier Staffing in accomplishing your business goals and wish you the best in your continuation of raising the bar.

Exciting news! Hiawatha Public Library and Hawkeye Area Down Syndrome Association (HADSA) are teaming up to offer a free music therapy program for kids with Down Syndrome and their families. Do Re Mi will meet on July 15 and August 19 from 9:30-10:00 am.

Amber Cook, board-certified music therapist with a degree in Music Education currently serves as music therapist at the outpatient clinic at Tanager Place. She is eager to bring her expertise and enthusiasm to Hiawatha Public Library. Ms. Cook explains, "During Do Re Mi, children and their families will experience movement and social interaction through active music making." Hiawatha Public Library shares her zeal and invites families to join us for this rhythmic opportunity!

Duty Crew Change and New Officers

Did you know the fire department is made up of both paid and volunteer personnel? The current roster is made up of four full time, 4 part time and 45 volunteer firefighters, EMT's and Paramedics. The paid staff primarily work Monday through Friday from 7 AM to 5 PM. They serve triple duty by providing coverage during the day, when there are fewer volunteers. They staff the ambulances, the first responding fire engine and do administrative work to keep the fire department and ambulance service operating. The volunteer members provide almost all the coverage after 5 PM and on weekends. Recently, the volunteer members switched from a five crew system to a six crew system. Crews are now on duty every sixth day. Along with that, six new duty crew officers were appointed or reappointed to oversee the operation of the crews. The Duty Crews are made up of six to eight responders who provide the initial response to medical and fire calls, backed up by off duty staff. Because the Duty Crews play such an important role in providing services, it's important to have strong leaders in charge of each crew. On June 7, City Council approved the appointment or reappointment of the following individuals:

Pictured above: Matt Powers, Chris Liscum, Matt Lellig, Scott Studt & Mike Nesslage.

- Rob Archibald was promoted to Captain. Member of the fire department since 2002.
- Matt Lellig was promoted to Lieutenant. Member of the fire department since 2007.
- Chris Liscum was promoted to Lieutenant. Member of the fire department since 2013.
- Brad Ransford was reappointed to Captain. Member of the fire department since 2005.
- Scott Studt was promoted to Captain. Member of the fire department since 1998.
- Andrew Sweeney was promoted to Captain. Member of the fire department since 2003.

Together, these gentlemen bring 74 years of experience, along with countless hours of training, leadership and life experiences and a variety of backgrounds. We have met individually and discussed expectations and they are each very excited to move forward with the new crew system.

Unified Development Code (UDC) Review Committee Update

Recently the City of Hiawatha updated its Comprehensive Plan. Our new plan is a vision of Hiawatha's development over the next 20 years. It includes a description of our goals and a road map to achieve those goals. Comp Plan 2036 includes the specific values Hiawatha choose to uphold and a description of our role in the Northeast Iowa Corridor.

The plan includes a set of projects for maintaining a path to progression. One of the first items is to review our current codes and ordinances assuring alignment with the Comprehensive Plan. To that end, City Council, with recommendation from the Planning and Zoning Commission has approved the formation of a UDC review committee. The committee includes representation from local citizens, businesses, developers, P&Z Commission, Council and city staff.

The objectives of the Committee are to:

- Simplify our UDC to assure consistent interpretations
- Modify the requirements to match present zoning policies
- Amend the UDC to align with the Comp Plan 2036 objectives
- Update the language and references to reflect new planning methods

The review committee members are:

<u>NAME</u>	<u>REPRESENTING</u>
Mark Powers	P&Z
Mark Ross	P&Z
Steve Dodson	Community Member
Kimm Harris	Community Member
Jon Dusek	Developer
Mike Freeman	Local Business Person
Benton Frey	Local Builder
Dennis Norton	City Council Person
Patrick Parsley	City Staff
Kim Downs	City Staff
John Bender	City Staff
Jim Fisher	City Staff

Our first meeting is scheduled for July 13, 2017 at 5:30 PM in the lower level of City Hall. We will continue to meet the second Thursday of each month until December. We hope to complete the project before the end of the year. All meetings are open to the public and will be posted on our website.

Fun Fest is quickly approaching! Be sure to check out our lineup so you don't miss out on all the fun activities we have to offer! Visit www.hiawatha-iowa.com for the full schedule of events under the calendar tab!

Severe bleeding can be a life threatening emergency. In fact, someone can bleed to death in as little as 5 minutes. Severe bleeding can happen at home, work or play. It can happen from everyday emergencies, natural disasters or man-made crisis including acts of violence. Fire Medic Shelby VanWeelden recently attended a train the trainer program called "Stop the Bleed." Stop the Bleed is a nationwide campaign sponsored by the Department of Homeland Security through the National Security Council, designed to empower lay people to act quickly when someone is bleeding. The purpose of the program is ultimately put bleeding control kits in public places, similar to where AED's are now and to provide training to lay people in how to use those kits. We know statistically that AED's, in the hands of trained lay persons, are saving lives. The hope is that the same can be accomplished with the "Stop the Bleed" program. If you would like more information on a class for your group or business, contact Shelby at 319-393-4180. For more information on the program see www.bleedingcontrol.org.

The Hiawatha History Committee Presents

"Did You Know" the history behind Hiawatha street names?

Robins Road

This road leads to the City of Robins and therefore it was appropriately named Robins Road.

Tucker St

Tucker Street

Tucker Street was named after Wesley "Tommy" Tucker who sold the Tucker Park land to the City for a \$1.00. Wesley Tucker was also close friends with Hiawatha founder Fay Clark.

Movies Under The Moon

Join us for our first Movies Under the Moon on July 21 featuring Moana! Movie will begin at dusk. There will be free popcorn provided by the Friends of Hiawatha Parks and Recreation Foundation and Kona Ice will be in attendance. Bring your lawn chairs and blankets and enjoy a movie with your family and friends! Please bring a non-perishable food item to donate to the HACAP food pantry!

Track meet with Marion & Cedar Rapids at Coe

Hiawatha, Marion and Cedar Rapids Parks and Recreation hosted their first combined Live Healthy Iowa Kids track meet on May 20, 2017. They had 40 kids in attendance between the ages of 5-12 at the Cedar Rapids Coe College Track. Participants were able to pick the events they were interested in competing in. Some of the options included: Softball Throw, Long Jump, 100 meter dash, 200 meter dash, 800 and even a 1 mile run. This event was free for kids to participate and excel onto the state track meet in Marshalltown, Iowa in June. The cities will continue to collaborate next year to host another successful event.

MUSIC IN THE PARK

Bring your coolers and lawn chairs and enjoy the evening with family and friends at Hiawatha's Music in the Park! Concerts are from 6 - 9 p.m. and held at Guthridge Park. Concerts Sponsored by the University of Iowa Community Credit Union

Friday, August 4th - SaLOONatics

SALOONATICS is a musical group, featuring 5 talented musicians from the Cedar Rapids area. If you like 70's and 80's Rock, get out and see this band live.

TOUCH A TRUCK

Friday, August 4th—4 p.m. to 6p.m. before the concert

Located at Guthridge Park 10th Ave Parking Lot

This community event provides families with the opportunity to learn about and explore trucks, construction vehicles, and public safety equipment that they know and love! Kids of all ages will climb, run around, sit in and even honk horns of many types of trucks and vehicles!

Bring a non perishable food donation to help support HACAP

Friday, August 11th - Never the Less

Iowa based cover band, playing your favorite 80's music with a modern edge! Never The Less promises a little something for everyone!

Friday, August 18th - Past Masters

60's & 70's Pop Dance Music! "We'll Play what others wont!" Come Dance and Party.. Aimed at 30+ Age Group but Younguns will have a blast too... Not Heavy... Just good time Pop! 100% Dance Music, 100% of the time.

Friday, August 25th - 8 Seconds

8 Seconds is one of the area's most energetic and powerful country bands. The band consistently draws large crowds as they are known for their strong vocals, tight harmonies, and their unique musical style and sound. Performing since 2001, 8 Seconds has earned numerous opening spots for national recording artists such as Dierks Bentley, Blake Shelton, Jason Aldean, Randy Houser, Justin Moore, Eric Paslay, Billy Currington to name a few.

Food concessions available for purchase by Hi-CREW Kiwanis!

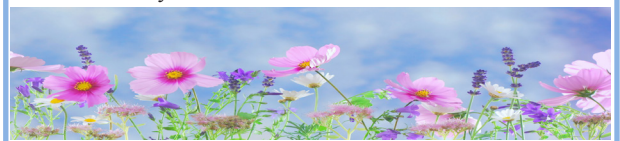

Due to the Iowa Smoke Free Air Act, smoking is prohibited during Concerts in the Park.

Thank you to our sponsor University of Iowa Community Credit Union.

Flower bed volunteers

The Parks and Recreation Department would like to thank all of the Adopt a Flower Bed volunteers for continuing to beautify the parks and city landscape. If you have a green thumb and love to plant flowers let us know! The Parks and Recreation Department has flower beds available to adopt around the City for the season!

Precision Driver Training

On May 17, members of the Hiawatha Police Department took part in precision driver training at Hawkeye Downs as part of their monthly in-service training. The training was provided by Investigator Rod Fiser, who is our in-house certified precision driving instructor. This training included pursuit policy discussions, estimating patrol vehicle speed and an on track driving course. Hawkeye Downs provided an excellent opportunity to practice on a safe, closed course. Officers were required to maneuver around the course at various speeds and stress levels. This training helps officers know their capabilities as well as the equipment they are driving. Each officer attended a two hour block of training. Every member of the police department receives a minimum of two hours in-service training every month. This helps ensure officers are receiving the best possible training to better assist our residents.

Prime Capital Investment Advisors

Prime Capital Investment Advisors, a grounded team-based, client-centric approach to full service financial advice celebrated their new Hiawatha location on May 17, 2017. Prime Capital Investment Advisors offer investment services: individual investment, private wealth management and risk management. Help us

welcome Barry Buchholz and his team to their new location.

The Guthridge Ladies Host Old Fashioned Neighborhood Get Together

The Guthridge ladies are back in town and will be hosting an Old Fashioned neighborhood get together. Debbie and Vonice Guthridge invite everyone to join them at the Guthridge Park green pavilion on July 9, 2017 from 12:30 - 4:30 PM.

This is a potluck gathering so please bring a dish to share and your own beverages.

Debbie and Vonice are the daughters of longtime Hiawatha resident Dale Guthridge who served as Mayor of Hiawatha from November 1971 - February 1982. In July 2000, Mayor Tom Paterson renamed City Park to Guthridge Park in honor of Dale Guthridge.

So please come out to Guthridge Park and welcome Debbie and Vonice Guthridge back to Hiawatha!
