

**Budget Overview**

July 1, 2017 marks the beginning of a new fiscal year for the City of Hiawatha. The city’s finances are divided into six categories/funds, which include, General Fund, Special Revenue Fund, Tax-Increment Financing (TIF) Fund, Debt Service Fund, Capital Project Fund and Enterprise Fund.

The General Fund is the chief operating fund of the city. It supports operations including Police, Fire, Ambulance, Library, Park and Recreation, Building, Mayor and Council, Administration and Finance, City Hall, Legal Fees and Election expenses.

The Special Revenues Fund contains the proceeds from a specific source which are required by law to be accounted for separately and used for specific purpose. Included in the Special Revenue Fund are TIF revenues, Road Use Tax, Local Option Sales Tax and Employee Benefits.

The TIF or Tax Increment Financing Fund is a special revenue fund that allows the city to achieve a variety of economic development goals, including job creation, growth in property values and protection of the local tax base. TIF can also be used to finance public improvements (such as streets, water, sidewalks, and other infrastructure).

The Debt Services Fund is dedicated for the payment of principal and interest on the city’s long term debt. This is a special levy that the council approved in the budget to pay for our debt payments in FY18.

Capital Projects Fund is used to account for the resources used in the acquisition and construction of large capital projects including but not limited to street construction, water and sewer main extensions or repairs, land, equipment or building acquisitions and storm water installations or repairs.

The Enterprise Fund consists of the operations and maintenance of the city’s utilities including water, sewer and storm water.

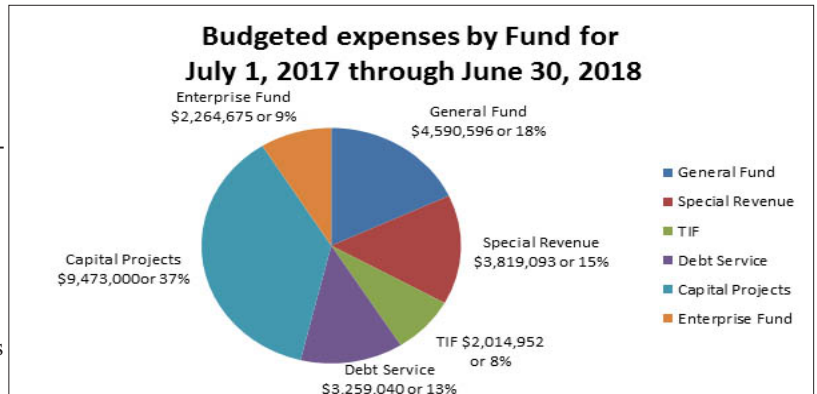

Illustrated in the chart below is the budget expenses by fund for the upcoming budget year of July 1, 2017 to June 30, 2018. As you can see the Capital Project Fund is the largest portion of the city’s budget, 37% of the total budgeted expenses equaling \$9,473,000. General Fund is the second largest at 18% or \$4,590,596. Special Revenue is next at 15% or \$3,819,093. Debt Service is at 13% or \$3,259,040, this includes the payments made for all of the city’s debt. Enterprise Fund expenses are \$2,264,675 and are 9% of the total. TIF expenses at \$2,014,952 or 8% of the budget, TIF expenses include payments of principal and interest on the city’s debt and the Development Agreements that are in place to aid in economic development. The total operating budget for the city in the upcoming fiscal year is \$25,421,356.

At the March 1, 2017 regular council meeting, the City of Hiawatha City Council adopted the budget for the upcoming Fiscal Year 2018 which begins July 1. Discussions began last fall with department managers and council members, by setting priorities and goals for the coming year.

The City of Hiawatha elected officials have weighed the needs and benefits of projects and services against their associated costs. Some of the projects included in the FY18 budget are Water, Sewer and Storm Water improvements, updates in the Park and Recreation Department, Library, Fire and Ambulance Service and the Police Department.

Taking into consideration of the council’s goal to maintain the tax levy rate, they were able to levy for the Liability Insurance, Employee Benefits and Debt Service while considering the rate.

The tax rate remains the same as last year’s rate of \$15.41 per \$1,000 of assessed taxable valuation for Fiscal Year 2018. Based on a property valued at \$100,000, the city portion of your property taxes would be approximately \$877.53. The city’s tax levy is a very important part of the residential property-tax equation. A property owners’ tax bill is determined when Linn County Assessor values a property and the state sets a “rollback”, of what percentage of the value of property is subject to tax. The property value is then multiplied by the levies of the other jurisdictions with taxing authorities, such as the State of Iowa, Linn County, Local School Districts and Community Colleges.

## Mosquito Control Program 2017

On April 5, City Council awarded the 2017 Mosquito Control Program to Mosquito Control of Iowa from Rolfe, Iowa. Mosquito Control of Iowa has over 30 years of experience in the industry and they have been performing mosquito spraying services in Hiawatha for the last several years in a row.

Hiawatha uses a Full Integrated Pest Management Program including a combination of treatments throughout the season based on the NEPDES permit. Program services include surveying, monitoring, larvaciding in stagnant water areas to control mosquitoes in the larva stage and contact and residual spraying. Depending on the weather and species of mosquitoes encountered, the treatments will be selected from the control methods to provide the city with the best results. Mosquito Control does all spraying by ground using multiple pieces of equipment; they do have an airplane but it is used only for emergency situations.

Scheduled spray dates:

- Concerts in Guthridge Park on August 4, August 11, August 18 and August 25
- Movie in Guthridge Park on July 21 and August 25
- Hiawatha Fun Fest in Guthridge Park on August 25 and August 26

If you have questions or if you would like to be notified prior to mosquito spraying, please contact Mosquito Control of Iowa at (712)-848-3295 or [mosquito@iowatelecom.net](mailto:mosquito@iowatelecom.net). Additional information on the company including chemical specifications can be found at [www.mosquitocontrolo-iowa.net](http://www.mosquitocontrolo-iowa.net) or on the Hiawatha website under news at [www.hiawatha-iowa.com](http://www.hiawatha-iowa.com).

### 5th Annual Hiawatha Police K9 Golf Outing

On Sunday, August 6, 2017 the Hiawatha Police K9 Unit will again be hosting their annual 4-Person Best Shot Golf Outing at Hunters Ridge Golf Course in Marion to raise funds to support the K9 Program.

Registration forms can be found at [www.hiawatha-iowa.com](http://www.hiawatha-iowa.com) on the Events Calendar.

Monday, July 31, 2017      Team Registration Due - \$85/Golfer  
Sunday, August 6, 2017    Golf Outing    Hunters Ridge Golf Course  
Check-in      11:00 AM - 12:00 PM  
Shotgun Start    1:00 PM

*Dinner, Raffle Drawing and Prizes and K9 Demo following dinner.*

The proceeds from this fundraising event provide for the continued financial support and future growth of the Hiawatha Police K9 Unit. The Hiawatha Police K9 Unit, which was established in 2005, has been funded and supported thanks to the generous donations of numerous individuals and businesses in the Hiawatha, Marion and Cedar Rapids community.

Last year we had 20 teams golfing and the event was supported by over 50 sponsors that participated as Tournament and Hole Sponsors or donated raffle prizes.

To make a donation or ask about different sponsor possibilities, or if you have questions about the golf outing contact Erik Naaktgeboren at [K9@hiawathapolice.com](mailto:K9@hiawathapolice.com).

**Follow us on Facebook at Hiawatha Police K9 Unit.**

### Community Development Personnel

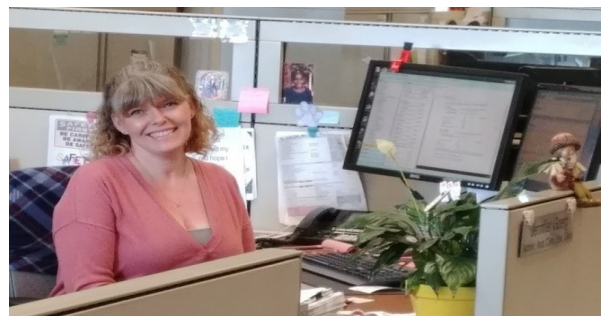

Jen Goerg has been the face of the Community Development Department since 2012. Anyone who has visited the City of Hiawatha Community Development department service counter has met Jen. She is the gate keeper for all building permits, zoning applications and inspection services.

Recently Jen played a vital role in converting our application and permitting processes to electronic submittal and issuance systems. She now works mainly with our permitting portal. She assists applicants in registering and submitting the necessary documents and information for review and permitting. Her oversight of the application processes includes responsibilities with our rental housing program, our detention basin certification program and our fire operations permits.

The efficiencies of the electronic formats and processes have made it possible to expand her role. Since there is now limited paper filing and paper management she is becoming a more versatile customer service representative. Besides continuing to clerk our Planning and Zoning and Board of Adjustment meetings and scheduling all inspections, she assists the department in organizing electronic submittals, receiving payments, completing reports and sending notifications to applicants.

To continue to improve in her service capabilities Jen has achieved ICC certifications as a Permit Technician and Property Maintenance Inspector. These specialized certifications make her an invaluable part of the team who understands our department processes and purpose and whose goal is to serve our citizens.

If you have any questions or need assistance in any of your permitting processes let Jen assist you. Her smiling face and bright attitude are evidence of our commitment to provide excellent and friendly service.

## April 5, 2017

RESOLUTION #17-058 approving the FY17 Budget Amendment.  
 RESOLUTION #17-059 approving Final Plat of Tower Commerce Center Thirteenth Addition.  
 RESOLUTION #17-060 authorizing City Staff to move forward with the creation of a Unified Development Code Review Committee consisting of 3 members of the Planning & Zoning Commission, 2 community members, 1 developer, 1 local business person, 1 City Council member, & 4 city staff members, with the purpose of evaluating & making recommendations for updating the UDC to align the Code with current & future needs of the City & coincide with the provisions of the Design Guidelines & Comprehensive Plan.

**Hiawatha Fun Fest**

We have some new activities coming your way during Fun Fest 2017! Did we mention FREE! Join us for the Hawkeye Kids Pedal Pull! Registration will be taken the day of at 1:00 PM with the pull starting at 1:30 PM!

Show us your strength; whoever can pull the weighted sled the greatest distance in their age group will be the winner of that event. You can advance on to the State Championship in Marshalltown, Iowa! The contest will be for ages 4-12 years of age, two and three year old children can pull but are not eligible to advance. We will also have a Trackless Train, National Guard Rock Wall and Euro Bungee Trampoline for the whole family to enjoy! Don't miss out, Fun Fest 2017, August 25-26!

**Bike Rodeo and Parade**

On Friday, May 26, 2017 at Guthridge Park we will be holding our annual Bike Rodeo and Parade. Free bike helmets will be given away to the first 50 kids and fitted by members of the Hiawatha Parks and Recreation Foundation. The parade around Guthridge Park will be led by a Hiawatha Police Officer at 5:30 PM.

Don't forget the Concert in the Park to follow from 6:00 to 9:00 PM. Copperhead Creek is a fun loving, experienced and talented musicians from all walks of life and vastly varying musical backgrounds come together to form Copperhead Creek - a good time country band, peppered with classics and seared to funky perfection.

Many thanks to our sponsors: Iowa Association for Justice, Hiawatha Police Department and Hiawatha Parks and Recreation Foundation.

**Live Healthy 5K Recap**

Over 260 registrants signed up to run the Live Healthy Iowa 5k on April 8. KHAK's Brain & Courtlin started the race at 8:00 AM and runners were greeted by Charlie Kohawk from Coe College as they reached the halfway mark. At the finish line volunteers gave the participants their finishing medals followed by water compliments of Awaken Family Chiropractic. Participants had the opportunity to fill their bellies with bananas donated by Hy-Vee and Chewy Bars from PepsiCo. Around 9:00 AM the children's 1k started behind a balloon archway made by Hi-Crew Kiwanis. Parents and fans cheered as the children ran through the finish line and obtained their finishing medals. At the completion of the races, Chuck Long, CEO of Iowa Sports Foundation and Iowa Hawkeye Legend, handed out awards to the top runners of each division. Overall, it was a great day to celebrate the completion of the Live Healthy Iowa Ten Week Challenge in Hiawatha. Thank you to all who made this year's race a success including those mentioned above as well as AirFX, Hiawatha/Cedar Rapids Amateur Radio group and Jeff Mullen Timing Services.

**Easter Egg Hunt Recap**

Hiawatha's 12th Annual Easter Egg Hunt took place on April 15 in Guthridge Park. Hundreds of children lined the park to wait for the sirens to signal the start of the hunt. Once signaled, eggs vanished within seconds! After the hunt, children waited in line to meet and take pictures with the Hiawatha Easter Bunny. This free event was all thanks to Roasters Coffee House.

**Parks Open**

The parks are now open and available for rentals. Visit [www.hiawatha-iowa.com](http://www.hiawatha-iowa.com) to reserve yours today!

**Splash Pads**

Guthridge and Tucker Park Splash pads will be turned on for your enjoyment from Memorial Day to Labor Day, weather permitting. The hours will be from 10:00 AM to 8:00 PM. We look forward to the nice weather ahead for your children to enjoy our parks in Hiawatha.

Hiawatha Farmers Market begins Sunday, April 30 and continues every Sunday through October 29.

**Location:**

10th Avenue Parking Lot of Guthridge Park

**Time:**

11:00 AM to 2:00 PM.

You'll recognize many of the vendors from past years and many new ones. Stop out and see what's fresh!

**BEET THE CROWDS**

**Hiawatha Farmers Market**

10th Avenue Parking Lot of Guthridge Park  
Sundays 11 AM - 2 PM

**New Street Name Signs**

Next time you're driving on Blairs Ferry Road, take notice of the new street name signs City crews have installed along the North side. The signs include the Hiawatha logo. Also new posts were installed.

The signs were installed to eliminate some of the extra posts and signs at intersections which makes for a less cluttered appearance.

**Another Good Neighbor Policy: Lawn Care**

As warmer weather and seasonal rain approaches the Hiawatha Community Development Department would like to remind our residents of our good neighbor policy regarding tall grass and weeds.

The Hiawatha City Code of Ordinances Section 50.02(10) requires property owners to keep grasses mowed so that grass and weeds are less than eight inches in height. This includes the individual lot, along with parking adjacent thereto, alleys, public ways or areas up to the centerline of said ways.

By maintaining the grass and weeds to the required height it will help eliminate certain health and safety concerns. An additional benefit to proper lawn maintenance is the enhancement of our storm water management.

Spring is almost here. The spring showers will be a welcome change from all of this snow and ice. When it rains, the storm waters end up back in our water sources. The storm drain leads to lakes, streams, and rivers.

Storm water transports pollutants into our drinking and recreational bodies of water. So please help protect our water quality by following a few simple rules.

- Grass and weeds should be kept at 8” or less. The recommended grass length is 3”. When your lawn is 3” tall, it allows water more time to absorb into the soil versus running into the street or onto the sidewalk and towards the storm drains.
- Grass clippings should never go into the street. This clogs storm drains and affects the quality of our water.
- Direct downspouts away from paved surfaces. All drainage needs to be dispersed on your own property. This helps to prevent pollutants such as motor oil or detergent from entering our water sources.

Thank you for your help in keeping Hiawatha beautiful and in preserving our valuable water sources. If you have any questions or comments, please contact the Community Development Department at 393-1515.

**Breakfast of Champions**

City Administrator Kim Downs was a presentation speaker at the Breakfast of Champions monthly meeting. Breakfast of Champions was formed in 2009 as a group of professionals that want to grow their business and professional networks in a fun environment while giving back through community service. Downs spoke of economic growth, Town Center concepts and Tower Terrace and Boyson Road Interchanges.

Downs shared the City of Hiawatha’s vision for growth and how the city effectively conducts business. Hiawatha has been focusing on business growth and retention most recently through our Hiawatha Business Success stories by working as a partner and taking pride in our business community successes. Hiawatha’s population in 2010 grew by 8% with 2020 projections to reach 12%. Permit fees in 2015 increased by 70% with 2016’s mirroring 2015.

Hiawatha has room to grow and is not land locked. Currently with 671 acres of developed ready land and 139 acres as shovel ready, Hiawatha will continue to see economic growth both residentially and commercially. Water and sewer infrastructure is readily available to all areas within the city’s boundary limits. There was much discussion on the need for a Tower Terrace Interchange and it’s relief to Boyson Road traffic. The Tower Terrace Road Interchange is history in the making with our metro communities working together to ensure it’s success through the Iowa Department of Transportation five year planning process with a projected construction date of 2022.

**Housing Rehabilitation Program**

The City of Hiawatha intends to apply for a 2018 Housing Fund grant through the Iowa Economic Development Authority (IEDA). If successful, grant funds will be available to assist homeowners in the City of Hiawatha with the rehabilitation of their homes.

City awarded financial assistance will be available in five-year terms. Participants will not have to make any repayments of the forgivable loan unless the home does not remain as the home owners principal residence for the entirety of the five-year term.

Before we can apply, the city will need to conduct a low and moderate income (LMI) survey to meet the national objective of primarily benefiting low and moderate income (LMI) persons. This means that at a minimum, 51% of those benefiting from the activity must be considered LMI, and applicants must be able to document the benefit to determine the city’s eligibility.

The city will conduct a survey format called a house to house survey. Shortly, the city will distribute surveys by mail to each household in the project area. The designated project area for 2018 will be along west Clark Street to Blairs Ferry Road and east of the interstate. Following the mail distribution individuals can return the completed survey back to the city. All information received will remain anonymous. If the city does not receive a 95% confidence level through mailing city staff and volunteers will than need to complete a door-to-door survey. A confidence level provides a range of values which contains the population parameter of interest to determine if the city has enough residential interest in applying for the housing rehabilitation grant. The survey is a simple form asking only two questions: total number in the household and the level of household income above or below the dollar figure shown on the survey along with name, address and value of possible repairs.

For questions regarding the Housing Rehabilitation Program or survey contact City Administrator Kim Downs at cityadmin@hiawatha-iowa.com, 319-393-1515 ext. 523 or Community Development Director Pat Parsley at bldgofficial@hiawatha-iowa.com, 319-393-1515 ext. 229.

### Emmons Street/Robins Road/North Center Point Road Intersection Reconstruction Project Progress

The third, fourth and fifth phases of the Emmons/Robins/North Center Point Road intersection reconstruction project are almost complete. Thanks to the favorable weather this spring, the west one-half of the intersection with color patterns and crosswalks have been completed. In approximately two weeks, traffic will be moved to the newly constructed west section and work can begin on the east side of Center Point Road. Project completion date is set for November 2017.
