IT'S CHILI TIME!!!

A chill is in the air. The Hawks and Cyclones are back on the field. The leaves are starting to change. That can only mean one thing! It's time for the Hiawatha Firefighter's Association's annual chili supper. Mark your calendar now!!! November 1st, the Hiawatha Firefighters will host their famous Chili Supper at the Hiawatha Fire Station, from 11AM to 7PM. Last year the firefighters served over 750 people and raised over \$4,000. The money raised goes toward equipping, training, and supporting the fire and medical volunteers that care for our community. Besides mild and hot chili, hot dogs, and delicious desserts, there will be great door prizes that are already starting to come in.

The Chili supper is always a fun time for the 55 fire department members. Cooking starts on the Thursday before, browning up over 125 lbs. of hamburger. Much of the Chili is started on Friday and cooks overnight into Saturday. Other items include almost 1,000 hot dogs and brats, 25 large cans of crushed tomatoes, and 500 lbs. of Chili Beans, plus assorted spices and secret ingredients! And clean up...imagine having over 750 people to your house for dinner!

Stop out and support the Hiawatha Firefighters Association on Saturday, November 1, from 11AM to 7PM.

Cobb is not only involved with the HEDCO Board, helping to promote economic development in the City of Hiawatha, he is also president of Hiawatha business, World Class Industries. Recently appointed Chairperson, Scott Gasway presented Brent Cobb with a plaque from the HEDCO Board and thanked him for his service. Cobb will continue to serve on the HEDCO Board of Directors.

Signs in the Street Right-of-Way

Hiawatha Code of Ordinances Chapter 166.10.3A states **"No sign or sign structure other than official traffic, street, or related sign approved for placement by the controlling public agency shall be placed on any street or highway right-of-way"**. The "street or highway right-of-way" includes the street/curb, boulevard and sidewalks. Private property begins about one foot inside the sidewalk.

This is a friendly reminder that small signs are not allowed to be placed on street corners or in the street right-of-way between the sidewalk and the street. Examples of the signs most often improperly placed in the right-of-way are: open house, garage sale and political type signs. If you are placing a sign of this nature it is required that it be **on your property** and not in the right-of-way. If these types of signs are found in the Public right-of-way, they may be collected by City of Hiawatha Staff. If you have any questions regarding this issue contact the Community Development Department at 393-1515.

We are asking for the cooperation of our area businesses and residents of Hiawatha regarding the placement of these signs. Please assist us in maintaining a safe and beautiful community.

Snow Ordinance Reminder

Yes, living in Iowa means another season of snowfall and a reminder of the Hiawatha Snow Ordinance.

Our Snow Ordinance will be in effect when the National Weather Service (NWS) predicts a snowfall in which three (3) or more inches of snow are expected. While the Snow Emergency is in effect, **there is no parking on any city street**. Vehicles found parked in violation of this ordinance will receive a **\$25** parking ticket and/or be impounded.

During overnight snow removal operations, vehicles found in violation on City streets will be towed. The Snow Emergency declaration will be given to all the local media including but not limited to: KGAN (Channel 2), KCRG (Channel 9), and KWWL (Channel 7). The declaration will also be posted on the City website, www.hiawatha-iowa.com. Your cooperation is appreciated.

REMEMBER - Don't park in the street if:

- The 24 hour (or less) prediction by the NWS is for three (3) or more inches of snow.
- Three (3) or more inches of snow has fallen and/or your street has not been cleared.

When in doubt about parking, just move your vehicle off the street.

Also, the City will **NOT** generally conduct snowfall clearing operations on all streets for a snowfall of less than two (2) inches. This policy remains unchanged from prior years. Please remember: Sidewalks must be shoveled within 24 hours of the cessation of snow fall, clear snow from around fire hydrants that are near your property, check with your neighbors regarding snow removal and direct sump pumps and downspouts away from hard surfaces so that water doesn't build up and freeze, creating slippery conditions on driveways, sidewalks, or streets.

For the current road conditions: call 511 or log onto the Iowa DOT winter road conditions web page. <http://weatherview.iowadot.gov/>

Women's Auxiliary Food/Clothing Drive

The Hiawatha Women's Auxiliary Chapter 735 will be holding a food and winter clothing/boot drive on November 8, 2014 from 8:00 a.m. to 12:00 p.m.

The drive will be held at the American Legion Post 735 located at 207 Robins Road in Hiawatha. Please help out the Women's Auxiliary by donating your men's gently used winter clothing/boots and non-perishable food items. All donations to go to the local Veteran's Outreach Center.

“This is only a drill”

On the night of September 9, firefighters and paramedics responded to five medical calls across Hiawatha. Simultaneously, a man had an asthma attack at Guthridge Park, a little girl fell from a tree in her back yard on Rainbow, a man on Lyndhurst experienced stroke like conditions, a man at a fitness center collapsed requiring CPR, and a man on Wolf Creek Trail had an allergic reaction. Fire engines and ambulances attracted attention throughout the town. Neighbors came out to check on their friends. But it was only a drill. A critical part of our medical training is dealing with scenarios. In this case, members of the community acted as victims, and Fire Department staff responded to the call, assessed the patient, and made treatment decisions as if it were a real medical emergency. “This type of training not only reinforces critical thinking skills required of our EMT’s, it also reinforces the team work component of care giving”, noted Chief Mike Nesslage. Each event has a fire unit and an ambulance unit respond. A crew from Palo Fire Department also participated. Hiawatha provides ambulance service to Palo. Working together in training develops good working relationships.

In the picture below, Mayor Tom Theis acts out the role of a person simulating stroke like symptoms. In the second photo, Gracie Slaymaker is stabilized after “falling out of a tree”. The Fire Department would like to publicly thank all our acting victims, Mayor Theis, Ben Kjome, Andy Chihak, and Gracie Slaymaker.
