

Dave Wright Family Dog Park Donation

Area pet owners now have a new dog park, the first for Hiawatha, to visit with their furry friends. The roughly 2-acre park is located just south of Boyson Road along the Cedar Valley Nature Trail. It came together thanks to agreements between the City, Linn County and nearby Dave Wright Auto. The collaborative efforts have created a dog park unlike any other in the area! We are excited to provide your K-9 companion/s a place they can exercise, play and enjoy the outdoors!

Over the past two years, we have worked closely with area businesses to make this park become a reality. Thank you to Petersen Pet Hospital, Dave Wright Auto and the Friends of Hiawatha Parks and Recreation Foundation, with their support we have been able to complete an outstanding park!

Monetary Donations

Financial donations will help keep our park clean, further develop the park, and aid in additional equipment. We sincerely appreciate you considering a donation to the Dave Wright Family Dog Park. We thank you, and your dog thanks you too!
