

WHAT WE DO

Hawkeye Area Community Action Program, Inc.

HACAP helps people build stronger communities by...

- ▶ Distributing **4 MILLION** pounds of food annually into your community through our Food Reservoir.
- ▶ Serving six Eastern Iowa counties such as Benton, Linn, Jones, Johnson, Washington, and Iowa.
- ▶ Keeping utility bills affordable for local families and the elderly through our Low-income Heat Energy Assistance Program (LiHeap).
- ▶ Providing hundreds of area families with quality education at **NO COST** for children ages 0-5 in our Head Start program.
- ▶ Safeguarding the health of low-income women, infants, and children by providing them with the nutritional food they otherwise couldn't afford through our WIC program.
