Mr. Matthews asked about the temporary four-way stop at the intersection of North Center Point Road and Willman Street.

Kristine Sorenson of 209 2<sup>nd</sup> Avenue informed council she has a petition with approximately 150 signatures to allow chickens and ducks in the City of Hiawatha. **Approving the FY 2017 Annual Financial Report**

Finance Director Kudrna said it was another excellent year with staff department heads holding their budgets. As noted in the Finance Director's memo general fund expenditures were 95.09% of the estimated budget. For the past nine years city staff has under spent their overall budget with an average of 94.73%. The city's general fund revenues fall short of the city's estimated budget taking a total of 94.28%. In past years, the staff has traditionally come in above their estimates but with multi-family rollback adjustments in this fiscal year it makes it difficult to estimate. However, in comparing revenue totals from last year the city grew by 8.58% (\$352,164). The city's general fund reserves grew by \$3,248.66 with an ending balance of \$1,636,842; leaving the city with a general fund reserve that is 36.7% of actual FY 2016-2017 expenditures. Council's general fund reserve goal is to retain 20-25% of expenditure dollars (\$4,453,572). The city ended the FY 2016-2017 budget with a 37% reserve; this is exceptional.
