

Hiawatha Water Department

Customers are required to sign up for Water service on or before their move in date. Each customer will need to: fill out an application card, supply a photo ID and pay a deposit

HOW MUCH IS THE DEPOSIT?

Water Customer Deposit: \$100.00. Sewer Only Customer Deposit: \$50.00.

Any owner or renter within Hiawatha is required to make a deposit on their water/sewer account.

Any customer wishing to withhold SS# will be required to pay a higher deposit. If after 2 years of good credit and no delinquent payments, the deposit may be applied to your account. Upon termination of service the deposit will be applied to your final bill and the remaining amount is returned to you. This deposit helps to ensure that owners and tenants notify us when they are moving.

WHEN AND HOW OFTEN WILL I RECEIVE A BILL?

Bills are produced monthly for water, sewer, storm water & maintenance program. **Bills are sent out the first of every month, due by the 20th. A 10% penalty is added after the 20th.** 30 days after the bill becomes delinquent and arrangements have not been made, the water service will be terminated. To reinstate service after termination the Water Department requires that the bill plus all applicable fees be paid in full during business hours. Landlords are subject to receive a copy of your delinquent bill.

WHAT ABOUT SEWER, STORM (ST) WATER & MAINTENANCE PROGRAM (MP) CHARGES?

Sewer charges are based on water consumption. 107% of the billed water consumption is your sewer charge. Storm (ST) water utility is a monthly charge:

For Residential: per meter, unit apartment & mobile home: \$4.50

For Business, Commercial, and Industrial: Fees based on Impervious Area

Although sewer and storm water charges are shown on the water bill, rates are established by the City Council.

MP charges: a fixed rate of \$2.25 per residential unit. Business, Commercial, & Industrial meter charges are based on meter size. For a breakdown of these charges, see our website or contact the Water Department, 319-393-5556.

TF Charges: a fixed rate of \$2.00 per water meter. This fee is used to replace the trees in Hiawatha's parks, ROW and City owned property that were lost during the 2020 Derecho.
